Hi Mike!

We worked together briefly by email some time ago when we arranged for a AAAS fellow to be placed in your office. I know work for the front office of ORD – for Ramona Trovato.

She talked with Howard last week and we're looking to get a contact person for a meeting I'm helping arrange. I was wondering if Howard has a Special Assistant with whom I might be able to connect?

I hope this email finds you well.

Best,

jose
